

Welcome to the Inaugural Season of the Carolina Mens Baseball League. We are excited about our new venture and pledge our utmost to provide you with a top quality baseball experience. For those who miss the sound of the bat striking the ball and the feel of glove leather and the smell of a baseball diamond, this is the league for you. Please complete an application and submit payment of \$125 to register for the Inaugural Season. We anticipate fun and great memories.

Depending on interest and field availability, we are planning to have two divisions, 35+ and 50+. Both divisions will play on Sundays, with possible make-up games to be played on Saturdays. Each team will consist of at least 12 players. We welcome the registration of complete teams but recognize that there will be many individuals who will sign up individually. We will have Spring Training and scrimmages during April to allow players to round into baseball shape. As we approach Opening Day at the end of April, we will devise a system, based on your input, to allocate players to teams equitably. There will be no cuts and we will create competition among comparably skilled players.

We have established a website, www.Carolinamensbaseball.com, to provide the most useful and up-to-date League information as well as interesting, fun stuff for baseball-lovers. Each team will have its own page that it can customize with pictures, stats and whatever else it decides to install. We will encourage use of the website to support our sponsors.

We are grateful to New Hanover County for use of the field at the Myrtle Grove Middle School. To ensure continued use, we ask that you exercise good sportsmanship and follow League rules for safe and competitive baseball. Treat the field and grounds as your own.

If you would like to volunteer or have any questions or suggestions, please call Joe Seme at 910-395-1862 or Frank Amoroso at 910-465-0535 or email CAROLINAMENSBASEBALL@gmail.com. The only thing left to say is, "Play Ball!"

Very truly yours,

Frank & Joe
